## Senior Enrichment Entertainment for the Mind!

On Wednesday,  
December 2, 2015, AIG

seniors were given the opportunity to travel to WonderWorks in Myrtle Beach, SC. WonderWorks is an amusement park for the mind combining education and entertainment in over 100 hands-on exhibits that will spark the imagination and challenge the mind of our AIG seniors! As a culminating event for AIG seniors, this field trip provided the opportunity for interaction with other CCS seniors; it also afforded the seniors incentive and reward for their outstanding academic performance over the course of their 12 years.
